ARONA

Arona (Novara) is an important industrial, commercial and tourist center favoured by the Sempione railway line and situated in an excellent position. It is about 20 km far from Malpensa Airport and about 90 km far from Linate Airport, the two Milan international airports which provide connections all over the world.

Arona offers a lot to its visitors: nature, monuments, relax, outdoor sports and more.

Further info about the town and tourism on:

www.comune.arona.no.it e www.prolocoarona.it .
